

DEADLY TRANSACTION

SARAH BUTLER, LARISSA ALBUQUERQUE & JAMES DEAN

Teenagers, Riley and Karen, have convinced themselves they're not doing anyone any harm by counterfeiting money but it all takes a dark turn when their debt-ridden art teacher finds out they are using his classroom to make the counterfeit bills.

But that's just the start of their problems. The Secret Service has gotten wind of their operation and has sent agents to investigate. When Riley narrowly escapes arrest while trying to change fake greenbacks into Euros, she panics and tells Karen everything. Karen insists on coming clean to the police, but before Riley can surrender herself, the other shoe drops. In cahoots with the venal Erica, whom he has seduced, a desperate Tim has kidnapped Riley's boyfriend Oliver in a last ditch effort to get his money and satisfy his increasingly impatient creditors.

Out of options, Riley and Karen realize that they will have to give Tim what he wants in order to save Oliver's life... even if it means going to jail.
