

STALKED BY MY DOCTOR A SLEEPWALKER'S NIGHTMARE

ERIC ROBERTS & EMILIE ULLERUP

Wanted for multiple crimes, Dr. Albert Beck assumes the identity of another doctor enroute to a new job at a sleep clinic. He falls for his first patient: Shelli, who suffers from nocturnal sexsomnia - until his interest is derailed by the arrival of her beautiful niece who suffers from a similar condition. Beck turns his romantic attentions to the younger woman, causing Shelli to grow suspicious and alerting clinic director, Pamela, who also begins to question Beck's erratic behavior...
