

# CHRISTMAS CRUSH

MARILU HENNER, RACHEL BOSTON, JONATHAN BENNETT, HARRY HAMLIN & JULIA VOTH

**T**wenty-eight-year-old Georgia is convinced the man of her dreams is the one ‘that got away’ back in high school. Though she’s tried dating other men, they just never seem to compare to her high school flame.

When Georgia learns of her high school reunion a week before Christmas, she’s ecstatic to finally have her chance to win Craig back. But as she gets to relive high school for a night, she begins to realize it might not be Craig at all who got away, but Ben, an old friend with whom she’d fallen out of touch.
