ANNE HECHÉ, JAMES TUPPER  
& TOBIAS SLEZAK

A respected virologist and a mysterious renegade race to find a cure for the deadly virus that's spreading across the country like wildfire in this thriller reuniting *Men in Trees* co-stars Anne Heche and James Tupper on the big screen. Driven by a past tragedy that still haunts her years later, Dr. Tess Martin (Heche) discovers Jack Bowen (Tupper) is the one man capable of bringing the outbreak to an end, and convinces him to aid her in saving humanity from a devastating plague.
