

ICE SCULPTURE CHRISTMAS

BRENDA STRONG, RACHEL BOSTON
& DAVID ALPAY

A premiere ice sculpting contest at an exclusive country club is the backdrop for this Christmas love story between Callie, a plucky kitchen staff member intent on finishing culinary school, and David, the son of a wealthy investment banker, who team up to try to win the \$10,000 prize despite a myriad of obstacles, including their different socio-economic backgrounds, and Callie's demanding boss (Brenda Strong), who just happens to be their number one competitor. Will love melt away the blocks that stand between them?
