

INFIDELITY IN SUBURBIA

Johnson Production Group Press Kit

One-Liner

A housewife's indiscretion with her sexy contractor turns her into the target of his obsession.

Synopsis

With her husband away at work, and her son at school, Laura dreams of a home-renovation project to supplant her restless days. Vince, her irresistibly hot private contractor, soon fulfills her more forbidden dreams. Wracked with guilt she ends their affair, but Vince's cravings run deeper and darker than Laura imagines. In the basement of Laura's suburban home, Vince is building a special room just for her. It's a secret place to hide the object of his desire... and his rage.

SARAH BUTLER

A native of Puyallup, Washington, Butler was interested in the arts while growing up. She sang in choirs, entered singing competitions, and performed in high school and community theatre. She relocated to Los Angeles to study theatre at the University of Southern California, and then played Belle, the princess in *Beauty and the Beast*, for a year and a half at Disneyland. She dropped out of college, focused on finding a talent agent, and began auditioning for work in television and film. Butler guest-starred on the television series *CSI: Miami* and *CSI: NY*. She was cast in the film *A Couple of White Chicks at the Hair Dresser* and the 2008 Syfy TV horror film *Flu Bird Horror*. She had a role that year on the web series *Luke 11:17*, directed by Don Stark. She also had a recurring role on the web series *I Love Vampires*. Butler won the lead in the 2010 rape and revenge thriller, *I Spit on Your Grave*, a remake of the 1978 cult film of the same title. Although initially put off by the film's nudity and violence, the film's strong character arc and "feminist edge" helped convince her to take the role. Butler starred as Jennifer Hills, a novelist who is brutally gang raped while staying at a cabin in the woods; her character then seeks revenge on her rapists. Directed by Steven R. Monroe, the film was released on October 8, 2010. Butler began filming the psychological thriller, *The Stranger Within*, alongside Estella Warren and William Baldwin in Mallorca, Spain in November 2011. The film was also scheduled to shoot in Copenhagen, Denmark and New York City. She joined the cast of the independent feature *Treachery*, starring Michael Biehn, which began filming in Los Angeles in June 2012. Butler starred in the 2013 horror film, *The Demented*, with Michael Welch and Kayla Ewell.

MARCUS ROSNER

Marcus Rosner is a Canadian actor born on the west coast of British Columbia but raised on the prairies of Sherwood Park, Alberta. He is currently based out of Vancouver but spends time throughout the year working in Toronto and Los Angeles as well. Some of his more notable roles include appearances in the TV Shows *Arrow*, *Supernatural*, *Once Upon a Time*, and *When Calls the Heart* to name just a few. Marcus is a busy working actor who continues to garner higher profile roles with each passing year.

PETER BENSON

Peter Benson is an English actor probably best known as Bernie Scripps in the popular ITV1 TV-series Heartbeat, a drama about the police in the fictional "Aidensfield" in the 1960s. He has also had a number of other film and television roles, often playing weak or vacillating characters.

His film work include roles in Michael Crichton's The First Great Train Robbery, John Boorman's Excalibur, Roman Polanski's Tess and Christian Cantamessa's Air.

ARLO HAJDU

Arlo Hajdu is an actor known for Monster Trucks (2016) and The Flash (2015)

JOHNSON PRODUCTION GROUP

The Johnson Production Group contracts globally to produce television and motion picture content for international networks, studios and distributors. Based in Los Angeles and Vancouver, British Columbia, the company manages production, facilitates development and financing, procures distribution and guarantees quality and timely execution of its programs. While costs have gone up, so has the demand for quality. No longer is good enough, good enough. Johnson Production Group serves that segment when a show needs to be "A" quality, but produced efficiently enough to meet a locked budget. JPG specializes in value, protection of creative elements, and delivery of a quality finished product.

OLIVER DE CAIGNY - Producer

Oliver De Caigny is a Canadian producer originally from Belgium, his background in financing, production, and post production makes him a well-rounded producer for any type of production. His experience in financing and production agreements (film and TV series and movies-of-the-week), distribution agreements (both domestic and foreign) as well as international co-productions, Canadian tax credit, Telefilm Canada and Canada Media Fund incentives provides him with a well-rounded background in development, production and distribution for motion pictures, television series and productions.
