

## INFIDELITY IN SUBURBIA

## **SARAH BUTLER & MARCUS ROSNER**

With her husband away at work, and her son at school, Laura dreams of a home-renovation project to supplant her restless days. Vince, her irresistibly hot private contractor, soon fulfills her more forbidden dreams. Wracked with guilt she ends their affair, but Vince's cravings run deeper and darker than Laura imagines. In the basement of Laura's suburban home, Vince is building a special room just for her. It's a secret place to hide the object of his desire... and his rage.
