CHRISTINA COX, SARAH GREY, TANYA CLARKE, HANNAH VANDENBYGAART, & SIERRA WOOLDRIDGE

Cameron Lowe has her world turned upside down when her mom Kate decides to move them to back their hometown in small town NY after her father is caught having an affair. Faced with the challenge of integrating into her new school, Rawley High, Cameron, a senior and soccer ace destined for a pro career, is forced to gel with her former rivals, now teammates, the Rawley Titans. As Cameron struggles to make friends she is targeted by a jealous Hailey Chalmers, the current team captain, and subjected to twisted pranks and hazing. Cameron is also under constant pressure from her coach, Hailey's mom Rhonda Chalmers and her own mother Kate to maintain her grades in order to remain an active player on the roster.

Hazing and high school pranks are elevated to a dangerous level when a deliberate assault on Cameron almost ends her season. Convinced Hailey is behind the assault, Cameron retaliates and finds herself deep in conflict with Hailey, Rhonda and the school principal. Soon, her season is on the line, her grades are dropping and her hopes of wowing scouts and making a top University team are in jeopardy. With everything to lose, Cameron must prove she is being targeted by jealous teammates before she is seriously injured and her dreams of going pro become a nightmare.
