

LOVE ON THE SLOPES

KATRINA BOWDEN & THOMAS BEAUDOIN

Alex copyedits for a travel magazine, but wants to be a writer. Now the magazine is holding a contest for a spot on the writing staff, and a plane ticket to anywhere in the world! Alex pitches an article on extreme sports photographer Cole Taylor, but is told to write about trying the risky sports herself. Her boyfriend Barton is supportive, but doesn't see Alex as very daring. Determined, Alex heads to Colorado where she meets Cole and convinces him to be her guide. Though a klutz, Alex is soon skiing and ziplining, all as Cole photographs her exhilaration and they fall in love. But when Barton arrives and tells Cole he's part of the article, Cole feels betrayed. Later though, after reading the piece, Cole is happy for Alex, and even happier when she returns with a plane ticket and an invitation to join her on a trip, sure to be the first of many!
