& MAEVE QUINLAN

Ashley is at the center of a clique of five cool, adventurous and thrill-seeking high school seniors. On the 2nd Anniversary of Ashley's father's death she and her friends all get a mysterious text message inviting them to join a club - The Stalker Club. They decide to play. Unbeknownst to them, 20 years ago at their high school, a beautiful, popular girl was killed playing the same game - a game that their parents were all a part of.

As the game becomes more sinister it becomes clear that someone outside the group of five friends is changing the rules of the game. As Ashley tries to figure out who the stalker is she winds up fighting for her life. Connected to the past, to the original Stalker Club, someone is out for revenge and demands blood.
