Can best friends fall in love? That's the question next door neighbors Ben (Jarod Joseph) and Sadie (Kyla Pratt) will answer as they keep the spirit of Christmas and the magic of their childhood pact alive! When they were eight years old, they planted a scrawny 3-foot tall Christmas tree behind their church and the Christmas Pact began. But as life gets in the way the pact is threatened to be broken. Ben and Sadie need some Christmas Magic to recommit to each other and promise to keep their special holiday traditions. With each Christmas that passes by, Ben and Sadie's Christmas tree grows taller and stronger; and so does their love. The pact bearing fruit to the magic of Christmas and the undeniable answer. Yes, friends can fall in love! The Christmas Pact is produced by Annuet Coeptis Entertainment, Executive Producer Timothy O. Johnson, Marita Grabniak directs from a script written by Damon Hill and Blaine Chiappetta.
