

WOMAN ON THE BRINK

Johnson Production Group Press Kit

One-Liner

A mother is forced to question her sanity when her daughter disappears and she's told that she's been dead for over an year, igniting a chase for the truth in order to save her little girl's life before it's too late.

Synopsis

Programmer and single mother Blair just launched a civil suit against a big tech company whose sexist boss Kincaid stole the code for a popular video game from her without compensation. This is stressful enough, but she also has to raise her daughter Lori, a precocious eight-year-old, who is about to start Grade 3 at a new school.

Blair and her ex-husband Simon split up six months ago after an argument over Simon's gambling problem nearly killed all three of them in a car crash. Since then, Blair and Lori have moved to a new neighbourhood where her long hours at work leave Lori in the care of a nanny. Feeling guilty at not spending more time with her daughter, Blair insists on taking her to school on her first day. But when Blair returns that afternoon to pick her daughter up, Lori is nowhere to be found, and Blair's rising alarm is met with confusion by the school staff, who claim there is no record of a student by that name.

A distraught Blair thinks Simon is behind this, but his reaction to the news that their daughter has gone missing turns Blair's world upside down. He reminds her that Lori died in the accident, something for which Blair, who was driving, never took responsibility. Instead, she has made him the bad guy, and ruined his life in the process. If she keeps harassing him with her delusions, he'll file a restraining order against her.

Shocked and desperate, Blair tries to get in touch with her nanny, the only other person who can corroborate her version of events. But it seems the woman doesn't exist. Now out of options, Blair goes to the police, who simply back up Simon's story. There is a death certificate for her daughter on file with the county department of public health, and a gravestone with her name on it in the local cemetery.

The trauma of these back-to-back revelations causes Blair to have a breakdown in court that Kincaid's legal team exploits to destroy her credibility. They move to have the case dismissed, and Blair is ready to check herself into a mental health facility when she happens to see the woman she thought was her nanny on the street. Chasing after her, Blair learns that the woman is an actor who was paid by a mysterious third party to ingratiate herself with Blair. But before Blair can get anything more out of her, the woman is struck by a car and killed. Witnesses tell the cops they saw the victim struggling with Blair before her death, and Blair flees the scene, knowing she will be blamed.

Now the subject of a police manhunt and convinced Simon is the key to the plot to gaslight her, Blair follows him, and learns that he is being blackmailed by a man whom she recognizes as one of Kincaid's fixers. Blair realizes her former employer has orchestrated everything in order to drive her crazy and get her case thrown out of court before it costs him hundreds of millions in lost revenue. Simon believes Lori is still alive, and provides Blair with a clue to her whereabouts. Now Blair must race the clock to find her daughter and prove her sanity before Kincaid can get away with murder...

Key Cast Biographies

KELLY THIEBAUD

Kelly Thiebaud was born on August 27, 1982 in El Campo, Texas, USA as Kelly Hager Thiebaud. She is an actress, known for Every 21 Seconds (2018), Grace Unplugged (2013) and Hostel: Part III (2011).

MATT HAMILTON

Matt Hamilton graduated from Vancouver Film School for Writing for Film and Television and has his B.F.A in Writing from the University of Victoria.

His screen writing has placed in numerous contests and festivals including Praxis Fellowship, CS Creative Screenwriting Open, Scriptoid Television Contest Top 3 Winner, Story Pros Feature contest, 13 Horror screenwriting contest, Sunscreen Film Festival, Big Rock Eddies, Vancouver Web Fest, Hollyweb Film Festival, the Leo Awards and more.

He was 2018 Best Male Performance (comedy) at the International Academy of Web Television for The Actress Diaries. He was also a 2015 Leo Award Best Actor nominee, also for The Actress Diaries. He won Best Performance for The Fence at the Sunscreen Film Festival.

He was born and raised in Victoria, BC and resides in Vancouver, BC.

LINA RENNA

Lina Renna is an experienced, seasoned young actress from Vancouver, BC.

From the age of 2 she "wanted to be on the TV". She debuted in the industry soon after, signing with an agency at 3 years old and landing her first principal role on the television show Rogue . She has been driving her success ever since with the guidance of her parents and agent.

Her signature curly hair and bigger-than-life personality, garnered her comparisons to Shirley Temple early on - and like the legendary young actor, she never fails to entertain and bring a smile to everyone's face.

Her career to date has showcased her emotive as well as comedy side, with her roles in feature films, TV movies, TV series and independent productions. Lina's portrayals in Christmas Princess , Edge of Seventeen , and the soon-to-be-released Mi Madre, My Father , show Lina as a mature young actress with the ability to flourish in challenging roles.

At home, she lives with 3 cats, a dog and 2 guinea pigs and loves spending time with and meeting new animals. She is a regular kid by day until the director calls action, and then the magic begins.

ALISON WANDZURA

Growing up on the Canadian Prairies in Calgary, Alberta, Alison Wandzura found her first creative outlet performing as a dancer and singing in choirs. In 2006, she graduated from the University of Calgary with degrees in Theatre and Business.

Alison's television credits include playing opposite Steve Zahn in the 2018 ABC series *The Crossing*, as well as guest star and recurring roles in *Take Two* (ABC), *Van Helsing* (SyFy), *Mistresses* (ABC), and *Minority Report* (FOX). She can be seen next in the remake of the cult classic *Critters* and National Geographic's miniseries *Valley of the Boom*.

In addition to her film and television work, Alison has given award-winning performances on stage in *Steel Magnolias*, *Who's Afraid of Virginia Woolf?*, and *Messiah* on the *Frigidaire*. She is a founding member of ARTery Collective, an independent theatre company based in Vancouver, British Columbia.
