Producer Biographies

TIM JOHNSON – Executive Producer

Tim Johnson is among the most active and reliable producers in the business thanks to top rate productions and global distribution appeal.

Johnson is also responsible for producing the international hit series, DR. QUINN, MEDICINE WOMAN for CBS for over 5 seasons. During his 100-episode tenure, he also developed and produced the original docu-drama COLD CASE for CBS network, which was the very first program to integrate television with the Internet.

Johnson has produced over 150 movies, 15 globally released series for every major US network - including ABC, Disney, CBS, NBC, Netflix, FOX and Sony.

JOHNSON PRODUCTION GROUP

The Johnson Production Group contracts globally to produce television content for international networks, studios and distributors. Based in Los Angeles and Vancouver, British Columbia, the company manages production, facilitates development and financing, procures distribution and guarantees quality and timely execution of its programs. While costs have gone up, so has the demand for quality. No longer is good enough, good enough. Johnson Production Group serves that segment when a show needs to be "A" quality, but produced efficiently enough to meet a locked budget. JPG specializes in value, protection of creative elements, and delivery of a quality finished product.

JOSEPH WILKA - Co-Producer

Joseph Wilka is the Head of Production for Johnson Production Group. Los Angeles-based, Joseph had already produced and directed several feature films before serving as the senior marketing executive for Gravititas Ventures. While at Gravititas, Wilka helped pioneer new distribution models for independent films including day-and-date theatrical releases. It was also at Gravititas where Joseph first worked with Johnson Production Group to facilitate the release of their films to the worldwide Video On Demand audience. After serving as the Director of Distribution and Production for Viva Pictures, where he produced English-language versions of foreign animated titles for DirecTV, Wilka officially joined Johnson Production Group. As Head of Production, he oversees the development, production, and distribution of films from multiple production units for release on broadcast and streaming platforms.

ROBERT BALLO – Producer

With over 34 years of industry experience, Robert Ballo has created award-winning productions for clients that include ABC, TBS, PBS, Discovery Channel, and Lifetime, and that have aired on national network television, cable networks, and internationally in Asia and Europe. As Director of Photography and Producer at Shadowland, Ballo has created over a dozen feature films seen on the Lifetime Network and distributed internationally. As Director of Photography, his Shadowland films include MISSING AT 17, THE SURROGATE, STALKED AT 17, TEENAGE BANK HEIST, WALKING THE HALLS, BETRAYED AT 17, HOME INVASION, MATERNAL OBSESSION, ACCUSED AT 17 and SPECTRES. Other feature film credits

include RUNNIN' AT MIDNITE, THE AFFAIR and STARVING ARTISTS. Ballo has also traveled the world on many documentary productions.

His television credits for national broadcast and cable networks include COLLEGE SPORTS IN AMERICA, GREAT EUROPEAN BALLOON ADVENTURE, DIRTY HARRY THE ORIGINAL, THE GREAT YEAR, and THE ROSE PARADE - PAGEANT FOR THE AGES. Through his other digital motion picture company, GOAL Productions, Ballo works with Fortune 500 companies, non-profit organizations and government agencies to produce sales and marketing videos as promotional communications. After a twenty-year tenure teaching film and video imaging, Ballo recently retired from his position as an Associate Professor of Practice at USC's School of Cinematic Arts. A graduate of the USC film production program himself, Ballo is a member of the Academy of Television Arts and Sciences.

ROBIN CONLY - Line Producer

Robin's career has spanned from Texas to Los Angeles, where she's produced several internationally distributed films that can be seen on networks including HBO, Hallmark, Showtime, Hulu, and Netflix. Recently, she worked with a former Disney Imagineer to produce multiple segments of a 4D IMAX attraction for the Mall of America; helmed research and development for a documentary production company; and produced an award-winning web-series.
