## Key Cast Biographies

### AUBREY REYNOLDS

Aubrey Reynolds was born in Dallas, Texas and grew up in Grapevine, Texas, where she attended Colleyville Heritage High School. She received a BFA in Acting from Brigham Young University. She made her feature film debut in 2014 as the lead in the period drama *16 Stones* and has proceeded to grace the screens with roles in DC's *Legends of Tomorrow*, *Snatchers & My Crazy Ex*. She has had lead roles in several feature films including *You May Now Kill The Bride*, *Escape: Puzzle of Fear*, *Frenzy*, *He's Dead and So Am I*, *Hot Chocolate Holiday* and most recently, *Secrets in the Snow*. She currently resides in Los Angeles, California.

### JUSTIN BERTI

Justin Berti is meant to entertain and inspire. Well traveled, he was born in Connecticut, spent time in Texas and New York City, with his last major stint of 12 years being in Tokyo, Japan. Creating a name for himself, Justin was acting, dancing, and modeling in almost all major entertainment genres you can think of in the Land of the Rising Sun. He even played semi-pro baseball and was a Major League Baseball announcer for all preseason and regular season games featured in Japan. He also had a guest star role in *Ramen Girl* starring Brittany Murphy. Leaving Japan and moving to L.A. in 2015, he has been on stage, TV, and film making the most of his ambitions. The role of Elliot in the Showtime series *Submission* was the highlight of his first year back in the States and is what most of his fans know him from. Starring in the popular Billie Eilish's famous "Bad Guy" music video and getting to play the villain in Lifetime's *Deadly Cheers* and playing the vibrant Mario Bargellini in another Lifetime movie, *Driven to Kill*, are three memorable experiences for Justin as well. However, the lead role in his first romantic comedy, *Divorce Bait*, coming out the winter of 2021, will surely add to the top of his list. Tapping into his comedic skills and diving into this character, has been such a breath of fresh air given the difficult climate of 2020. Justin also starred in the independent film *Frontera*, which won over 9 film festival awards, 4 of them for Best Picture, since its release in 2018. As a Columbia University graduate and instructor of Yogic Arts (a powerful mix of Ashtanga, Martial Arts, and Modern dance), Justin's acting technique and "can do" attitude derive from his physical body mastery, prompting his nickname The Yoganator.

## FELISHA COOPER

Actress Felisha Cooper found fame as both a bona fide bad girl on the daytime soap opera "The Bold and the Beautiful", where she has appeared in over 80 episodes, and as the comic foil for an eccentric private investigator on the series "Swedish Dicks", created by actor Peter Stormare. Born into a military family in Fayetteville, North Carolina on September 8, 1992, Cooper was discovered by an agent three weeks after moving to Los Angeles, California to pursue an acting career, and made her television debut with a walk-on role on a 2012 episode of the Nickelodeon kids' series "Big Time Rush" (2008-2013). From there, Cooper worked steadily in supporting and guest roles on television, including the biopic "Whitney" (Lifetime 2012), about singer Whitney Houston, and in features like the slasher All Cheerleaders Die, Fiancé Killer, Keys to the City, King Knight, as well as recurring roles in Date of Honor & Dhar Mann.
